Boats for Sale Terms of Conditions

Boats are sold at a commission of 8% including VAT. Subject to a minimum charge of £800.00 inc VAT and a maximum charge of £3000.00 inc VAT. Included in this is the first 2 months storage or mooring.

If the boat has failed to sell in 2 months, then the following charges will be applied

Moorings: will be charged @ £1.00 per foot per week inc VAT

Hardstanding: will be charged @ 50p per foot per week inc VAT

Maintenance: boats for sale will be subject to a monthly inspection and any cleaning required will be reported to the owner. The owner will be required to undertake the work or instruct us to do so at our current hourly rate.

Insurance: all boats for sale must be insured and details provided.

If while the boat is for sale you decide to sell your boat privately from our site, (eBay, Gumtree, or private agreement) then the following charges will apply.

For boats in the water a back charge of £1.00 per foot per week from the date the boat arrived at our yard to the date of removal, plus a 2% commission on the selling price. Subject to a minimum fee of £800 Inc Vat.

For boats on hardstanding a back charge of 50p per foot per week from the date the boat arrived at our yard to the date of removal, plus a 2% commission on the selling price. Subject to a minimum fee of £800 Inc Vat.

The boat cannot be removed from the site until this charge has been settled in full.

If a purchase has been agreed with paperwork completed and you (the seller) withdraws from the sale then the commission as listed above is still chargeable and becomes due immediately.

The boat cannot be removed from the site until this charge has been settled in full

Please note the following

While the boats are for sale they must remain insured by you (the owner) we do not accept any responsibility for any loss or damage that may occur while your boat is for sale with us.
